CASINO ROYALE

In lieu of The Festival of Trees, our largest fundraiser for the last 15 years, we have decided to shuffle things up a bit and invite Salina and surrounding community members to our new major fundraiser, Casino Royale*. This event is a new way to include more participants and increase exposure in our community. The event is planned for Saturday, October 20th, 2018, at six o'clock in the evening, at the Hilton Garden Inn and we will be re-creating the magic of a Las Vegas casino. Our casino will offer Blackjack, Texas Hold 'em, Craps, Roulette, Bingo, and a myriad of other games, not to mention complementary signature drinks and a variety of hors d'oeuvres. We invite the community to join us for this fun-filled night of high-stakes challenges and the chance to win some really great prizes!

Every year we are so appreciative of the support from our sponsors and donors. This year, DVACK has an even greater need of community aid. Annually, our total victims served continues to rise. In 2017 alone, we served over 900 victims. So far, in 2018, we have already served over 500 clients. At this rate, we will meet and most likely exceed the number served last year. Our agency has outgrown our existing facility, precipitating the need for additional space to accommodate additional victims as well as personnel. Currently, we can only house 18 women and children in our emergency shelter. Due to the shelter remaining at maximum capacity, oftentimes victims are referred out of our service area to seek safe refuge. Victims should not have to leave behind their support systems, such as friends, family, parish and co-workers, in order to escape abuse. With larger facilities, the agency will be able to serve more victims and minimize the need to relocate victims to unknown communities where their support is lacking.

DVACK has identified existing facilities that would better suit our needs and double the number of clients we can shelter, permitting victims in North Central Kansas to remain in close proximity to their hometown. As a result, DVACK will be able to increase shelter capacity from 18 to 36 victims of domestic and/or sexual violence and their dependents.

Please join us in our fundraising efforts by becoming a sponsor and/or attending our event. A portion of the proceeds will be designated for our capital campaign to raise money for our new facilities. There are several ways that you can help us obtain our goal. We have enclosed a form that gives you more details on how you can contribute. Every dollar will help DVACK to continue to provide life-saving services to victims.

Thank you for supporting our agency and the victims that we serve.
