Meet an Ally!

**Mark Hassman,
Hassman Termite &
Pest Control, Inc.**

Mark Hassman with Hassman Termite and Pest Control, Inc., has supported DVACK for eight years, providing our organization pest control, financial support, and other resources. As a community ally, Mark has sponsored DVACK events and fundraisers, helped design and build an intake room to prevent pests from entering DVACK's facility, supported DVACK in the creation of a new pet shelter, and created a free shopping day with his church to help clients and those in need obtain clothing. Mark chooses to support DVACK because he believes DVACK is a necessary organization.

"I wish there was no domestic violence, but, unfortunately, there is; DVACK provides much needed services and survives on the community's support."

Mark provides termite and pest control for homes, businesses, and organizations. He and his brother Mike have been in business for 59 years!
