GIVE ON MARCH 24!

MATCH MADNESS

The Greater Salina Community Foundation's Match Madness event is a full day where people can donate to local non-profits that have endowments set up through the Greater Salina Community Foundation. Non-profits also have the opportunity to win bonus grants for things like the number of donors for this event and the annual free-throw and half-court shot contest held at the event. These donations and bonus grants are matched by Anonymous/Private Donors, BE Wealth, Fund for Greater Salina, Kansas Health Foundation, and Salina Regional Health Foundation up to 50%.

The event this year will be held on Thursday, March 24th from 7AM to 7PM at the Salina Fieldhouse. There will be food trucks from 11AM to 6PM, fun events like the free-throw contest and you can watch the NCAA Tournament there as well! Non-profits will also have booths set up, so please come see us at our DVACK Booth!

For more information, visit <https://www.matchmadnessgscf.org/>.

"NO MORE" WEEK

"NO MORE Week" is a campaign aimed at ending both Domestic and Sexual Violence. This year, the Ninth Annual NO MORE Week is March 6th through the 12th. The NO MORE website has a wealth of knowledge about how to support survivors, understanding consent, intervening when domestic violence is occurring, and so much more! Please visit <https://nomore.org/learn/> to learn more.

Usually, there are 5K events for communities to participate in, but with Covid, they are doing the Second Annual Virtual 5K. We would love for people in the community to sign up and join us in running or walking their own Virtual 5K. If you are interested in participating in the Virtual 5K, you can sign up under DVACK's team at <https://runsignup.com/Race/Register/RaceGroup-1072910?raceId=99371>. Please feel free to share photos if you participate, using #JoinTheChorus or #NoMore.

THANK YOU FOR YOUR HELP

Students from Sacred Heart High School helped us sort donations we have received from our community. They came to do service work as a part of their "Catholic Schools' Week" activities and we are so thankful for their assistance!

DONATIONS

Thank you to everyone who donated items to us this month. A special thank you to Sunflower Bank (right) for hosting a donation drive for us! They were able to donate much-needed children's items for our clients.

We currently have a high need for toilet paper and women's underwear, as well as personal hygiene items.

SEXUAL ASSAULT AWARENESS MONTH

April is National Sexual Assault Awareness Month. While we haven't hammered out all the activities we will have planned, please keep us in mind if you are interested in scheduling a training with your staff or any group of people!

We enjoy going into the community to teach more about the many areas of what we do, and awareness months are a great time to make sure you are educated in these areas!

Please reach out to us at (785) 827-5862 if you would like to talk more about scheduling a training or meeting with someone from DVACK.

JOIN OUR TEAM

We are currently hiring for two different positions: Weekend Residential Advocate and Shelter Supervisor 3. To see more on these positions, please visit our Facebook Job Postings, or click this [link](#). You can also submit a resume and cover letter to sarahb@dvack.org.
