### WORLD ELDER ABUSE AWARENESS DAY

Building Strong Support for Elders

## ELDER ABUSE AWARENESS MONTH

June is Elder Abuse Awareness Month. During this month, we spread awareness and support to anyone affected by this issue. Some ways you can show your support include: volunteering at places where elderly people often are, spending extra quality time with elderly people in your life, researching more about Elder Abuse, wearing purple on June 15th to promote World Elder Abuse Awareness Day (WEAAD), and attending our Facebook Live Training at 4pm on Thursday, June 30th.

If you would like to schedule an Elder Abuse Presentation, please contact our Domestic Violence & Elder Abuse Program Manager, Brandi, at (785) 827-5862.

# K-9 MINISTRIES

We would like to send a special "Thank You" to Keren the Comfort Dog and her team at Immanuel Lutheran Church in Ellsworth, KS. Immanuel Lutheran Church got Keren through Lutheran Church Charities: K-9 Ministries. Keren is an amazing comfort dog who came to visit us and share her mission. (Right) You see a group picture with Keren and a few staff members. (Far Right) Keren poses with DVACK CEO, Andrea.

# DONATIONS

Thank you to all of our donors for this past month. We want to give a special "Thank You" to the donors shown here. (Above, Left) Bath and Body Works donated items for our mother clients in shelter for Mother's Day. (Below) Bethany College's Newtonian Society ran a fundraiser celebrating  $\pi$  (pi) day.
